From the President's Desk

Halloween and Thanksgiving are approaching and we will soon be in the hustle and bustle of the holiday season. The plight of the hurricane and earthquake victims will fade from the news and we will be consumed with our own lives. Knowing the generosity of our guild members, we will continue to give and support those less fortunate. It makes me proud to be associated with you fine women. Philanthropy has stepped up their effort, which was amazing already, and they have added extra meetings and kits to accommodate the increased need. Since there will be approximately 100 families relocated to the El Toro Base, we will be delivering our quilts, pillowcases and stockings to this group and any other hurricane victims in the area.

My sister was able to return to her home in Kenner, Louisiana, with just minor damage to her fence. Her neighbors are all recovering and getting busy with work and repairs. She has a 21-year-old daughter and this four-week exile together has made a world of difference in attitude as to what is important. She also celebrated her 50th birthday while away, and there was no major depression as she expected. She said she has laughed more in the last few weeks than she had in the last year because now she really knows what is important.

I know quilting has made me more sensitive to color, nature and texture. While driving around I notice the cloud formations and the many colors of green and brown. Now I believe it has made me more sensitive to the community. It may be retirement also contributing to the need to give back in gratitude for all my good fortune. Thank you all for your generosity and inspiration in all you do.

Sheryl

THANK YOU!

The receiving of the Golden Thimble award is a great honor to me, especially in light of the tremendous work and dedication the members of the guild provide everyday. I must admit I did not anticipate winning such a prestigious award and was caught off guard (and speechless) when my name was called. So I want to thank you all now. It has been a pleasure working with the wonderful women of BCQG, and the friendships I have made throughout the years are the greatest reward. Thanks again for the tremendous honor!

Diane Collins

To The Dear Ladies of Beach Cities Quilters Guild,

You know how there are important dates in your life that you always remember, such as birthdays, anniversaries, first kiss, etc.? Well, October 13th, 2005, will be a date that I will never forget. That is the date the president's quilt that you have all worked so hard on for many months was presented to me. To say that I am totally overwhelmed by its beauty would be an understatement. I have worked on president's quilts in the past and **know** all the hard work that goes into each one. To be on the receiving end **IS** such an amazing and humbling feeling.

From the design, to the blocks, to the signature leaves, to the border and wrought iron scroll, to the logo, to my name on the sign, to my initials on the flower pot, to the beautiful Back art, to the quilting bees, to the binding, to those who did one stitch or many stitches, my eternal heartfelt thank you. To Elaine, BCQG's esteemed Past President, your expert guidance created an absolutely beautiful quilt. Thank you a million, trillion times.

For those who were not able to attend the October meeting, I will bring the quilt to the November meeting so you, too, can "ooh" and "aah" over it.

You ladies are awesome, and it has been my pleasure to serve as your president this past year. I cherish the memories and my fantastic quilt. My love to you all.

Pat Pardoen

Thank You Philanthropy!

Dear Volunteers,

I've been in the Marine Corps for twenty-two years and have witnessed many volunteer programs that were inspirational but yours sets a higher standard. Recently I was hospitalized for a motorcycle accident that occurred on July 4th. During my stay at Camp Pendleton Naval Hospital I was given a hand made quilt from the Chaplains office. I couldn't believe I was getting such a nice gift; the patchwork looks labor intensive. It was such a beautiful gift and I used it during my stay at the hospital. I eventually transferred to Scripps Encinitas for the rehabilitation and the quilt was used there as well. The compliments I received were endless. I want to express my appreciation for your hard work and generosity. The quilt was a huge success and is now being used on my bed at home.

I am sure this quilt will be with me the rest of my life. Although being in the hospital was a dark time in my life, the quilt was truly one of the highlights that warmed my heart. You are very special and I want you to know, you made a difference.

**Semper Fi,
Rob**

Friendship Circles

We are full of enthusiasm as we start our new position in charge of Friendship Circles for this next year. Our experience with our own Friendship Circle has been so positive that we knew we wanted to be more involved in helping to start new groups. So, here we are!

Since the holidays are fast approaching, we have decided to schedule our first Friendship Circles luncheon for Saturday, January 28th. We will have this luncheon at Alicia's home in Mission Viejo. The Road to California will be the weekend before and we hope to continue with the *quilting enthusiasm* the following weekend and invite any of you who are interested in being a part of a Friendship Circle. Friendship Circles are a great way to meet people and make new friends. Give yourself the gift of friendship!

Stop by our table at the November Guild meeting and sign up to be in a Friendship Circle, and we will give you an invitation to the luncheon in January.

October Monthly Mini "Pricilla Pumpkinsitter" By Judi Hasselkus

Judi has been quilting for 30 plus years and doll making for the last 20. She was a judge for the Hoffman Challenge in 2000 as well as the most recent 2005 challenge. She enjoys all styles of dolls but her ultimate favorite to make is "one of a kind" dolls. One of her dolls will appear in a book to be published in January, 2006. Judi says, "Fall is my favorite season, and I always enjoy making a special Halloween doll each year. This year I have created a very special lady. Her name is Pricilla Pumpkinsitter, and I believe she is a cousin, twice removed, from Lizzie LaTesh and Scoots LaRue. You might remember those two wild and crazy girls from a monthly mini a year ago."
